Juab's Big Hearts & Helping Hands

Two Eureka citizen's were honored on Monday, March 30th along with many well deserving citizens of Juab County. Juab's Big Hearts and Helping Hands Volunteer Recognition Program honors citizens of Juab County for their kindness, generosity, compassion and willingness to serve others in the community. Congratulations to all nominees for this years program!

Patricia has been amazing, she keeps the city offices running, is kind and supportive, she shows up to work everyday and keeps everything in order and takes care of her husband who has been diagnosed with kidney cancer.

She's an amazing grandma, mother, wife, city recorder, and friend. She deserves to be honored for everything she's done for the small town of Eureka!

PATRICIA BIGLER

This genuinely kind, amazing lady has spent significant amount of time organizing and collecting donations for one of our local fire fighters who has cancer. She is especially thoughtful because she has helped donate her time, energy, personal storage space and love into helping this firefighter and his family for months on end. I see her always reposting to keep the contributions fresh and on top so they don't get buried. The best part of her kindness comes through, because her own husband had a stroke and she is caring for him as well as this valued member of our community. She sets the example for all of us in our community that even though we have our personal struggles, there is still room for love and our community. She deserves to be honored for her considerate actions and setting the example of love in our small county. She is the best!

DAUGHTERS OF THE UTAH PIONEERS
JUAB COMPANY – SUNBEAM CAMP

The Daughters of the Utah Pioneers Sunbeam Camp in Eureka is currently looking for more members.

We meet once a month (second Wednesday of each month) at the L. D. S. Church at 11:00 am for a short meeting with a lesson, followed by a light lunch. The lessons are very informative and fun to listen to.

To become a full member, you must have a direct-line Utah pioneer ancestor who came to or were born in the State of Deseret/Utah Territory before the completion of the Transcontinental Railroad on May 10, 1869, from whom eligibility is derived. Dues are \$25.00 for the year.

Women who do not qualify for membership as Daughters of Utah Pioneers are welcome to participate in a DUP Camp where they reside. They are called "Associates of Daughters of Utah Pioneers" and may participate in all activities of the organization. They cannot hold an elected office but may hold other positions in the Camp. They may write and give pioneer histories that may be submitted to the International History Department. Dues are the same as regular members.

If you are interested in becoming a member or an associate member of the Sunbeam Camp, please reach out to Patricia Bigler, Secretary 801-372-0723 or Leigh Grimstead, Registrar 435-322-0032 to get an application.

OBITUARIES

Carl Edward Fields

August 18, 1937 ~ March 8, 2026

‘A man of quiet strength, a generous heart, and a life lived with simple kindness toward everyone and everything around him.’

Carl Edward Fields, 88, known to most simply as “Ed,” passed away peacefully at his home in Goshen, Utah, on March 8, 2026. He had recently been diagnosed with cancer, and spent his final days surrounded by the care and love of two dear friends he considered family, Wendy Smith and Chris Seeley, along with several family members, close friends, and his loyal companion, Bear.

Ed was born August 18, 1937, in Eureka, Utah, to Carl Howard Fields and Florence Rodda. The youngest of five children, he grew up exploring the hills and mountains around Eureka on foot and horseback, developing the independence and love of the outdoors that would stay with him throughout his life. He attended school in Eureka and in 1956 graduated from Tintic High School before serving his country in the U.S. Army during the Vietnam War era, spending part of his service stationed in Germany.

Ed worked various jobs, including positions in the local mining industry and at Hill Air Force Base before finding a place where he would leave a lasting mark—working for the Tintic School District as Maintenance Director. There, he helped care for the school buildings and occasionally drove the bus, but his role meant far more than the title suggested. Known for his ability to solve problems, his steady work ethic, and his kind nature, Ed became a trusted friend to faculty and staff and a respected presence to the many students who passed through the halls. Through his hard work and genuine kindness, he built lifelong friendships and quietly helped make the district and community a better place.

Ed had a lifelong soft spot for animals and rarely turned one away in need. In his later years, his greatest companions were his beloved dogs—Shadow, Sparky, and finally Bear. Many in Goshen will remember the familiar sight of Ed walking through town in his black cowboy hat with his “forever friend” faithfully at his side.

Ed was married three times during his life. Early in his life, he married Virginia Smith, though the marriage later ended in divorce. He later married Bernita Smith Craig and became a devoted stepfather to her three children before that marriage also ended in divorce.

On October 12, 1985, Ed married the love of his life and best friend, Ludene Stewart Dean. Both were working for the Tintic School District when their lives came together. Their home in Goshen soon became a place filled with warmth, laughter, and open doors for friends and family alike. Ed and Ludene shared a love for camping, fishing, exploring backroads, and traveling, but the time they cherished most was spent with their grandchildren. Their partnership was one of deep friendship and devotion, lasting until Ludene’s passing in 2016.

Those who knew Ed will remember his steady kindness, his willingness to lend a hand, and the quiet way he cared for people and animals alike. His absence will leave a space in many hearts, but those who loved him find comfort in the thought of the joyful reunion he now shares with those who went before him.

Ed was preceded in death by his beloved wife, Ludene; his parents, Carl and Florence; his brothers Robert (Bob) and Heber; his sister Virginia; stepdaughter Carla Fields; and son-in-law Brad Larson.

He is survived by his brother, Howard Fields of Eureka, Utah; stepdaughter Laray Larson of Winnemucca, Nevada; son-in-law/nephew Robert Fields of Prescott, Arizona; and numerous grandchildren, great-grandchildren, nieces, and nephews throughout the United States.

A viewing will be held Saturday, March 21, 2026, at 10:30 a.m. - 12:00 p.m. at Brown Family Mortuary, 66 South 300 East, Santaquin, Utah. Graveside services will follow at 1:00 p.m. at the Spanish Fork Cemetery, 420 South 400 East, Spanish Fork, Utah. Flowers and donations may be sent to Brown Family Mortuary in Santaquin, UT.

OBITUARIES

August 9, 1931 ~ March 14, 2026

Leah Partridge Aiken Towers, age 94, of Highland, Utah, passed away peacefully on March 14, 2026, surrounded by her loving family, following the effects of a stroke.

Leah was born on August 9, 1931, in Goshen, Utah, to Alma Smith Partridge and Leona Tanner Partridge. She was the fifth of thirteen children and spent her early years attending school in Goshen. She was a member of The Church of Jesus Christ of Latter-Day Saints.

After completing her education, Leah married the love of her life, Gerald Aiken. Their marriage was later solemnized in the Mount Timpanogos Temple in American Fork, Utah. Together, they made their home in Eureka, Utah, where they raised their two children, Irene and James (Jimmy) Aitken.

When James, who was deaf, did not have a nearby school to attend, Leah devotedly drove him each week from Eureka to Ogden so he could receive his education—an enduring example of her love and dedication as a mother.

Gerald passed away in 1978 after many years of battling cancer. Leah later married Meril E. Towers, and the two enjoyed traveling together until his passing in 1987.

Leah had a deep passion for service and volunteer work. For many years, she faithfully drove the local senior citizens' van, helping countless elderly individuals reach appointments, shopping trips, events, and other daily needs. Through her years of service, she received numerous awards from the President of the United States and from local organizations, including the Silver Bowl Award. In total, Leah donated more than 7,800 hours of volunteer service.

She was a proud member of The Daughters of the Utah Pioneers and Tintic Historical Society.

Leah is survived by her son, James (Jimmy) Aitkien; seven grandchildren; twelve great-grandchildren; and her sister, Annie (Brent) Hone. She was preceded in death by her parents; six brothers; five sisters; her daughter; sons-in-law; and two great-grandchildren.
