

EUREKA REVIEW

VOLUME 18, ISSUE 7

JULY 2026

**Eureka City Mayor, Council and Staff
would like to offer an extremely heartfelt**

“THANK YOU”

**to our local volunteers at the
Eureka Fire Department and EMS, BLM and the
Juab County Sheriff's Office
as well as all the neighboring Fire Departments, Agencies and Law
Enforcement personnel who responded to help save Eureka during the
Iron Fire. We are so grateful for your knowledge and all necessary skills it
takes to perform your duties under the very stressful circumstances in your
line of work whether it is volunteer or paid.
You are all truly our HEROES!**

CITY NEWS

Due to the recent wildfires this past month, there was a lot of water use, not only by the firefighters, but residents as well. We realize this was due in part by residents protecting their homes and property, so for June's bill only, Eureka City is removing charges for all excess water use, meaning anything over the 10,000 gallons included in the base rate.

Please watch next months bill for a link to Eureka City's CCR or Annual Drinking Water Quality Report for 2025.
