

Eureka City Recreational Survey

Eureka City is working with Tintic School District in an effort to provide more community recreational opportunities. As most of you are aware, we currently offer the Jr. Jazz basketball program, Little League, and Soccer. We would like to offer other programs that would be of interest to the community, but we need to know what the residents want and would support. Please circle any program from the list below that interests you, if your program is not listed please write in what you would like and return to the city or call us at 433-6915. We look forward to hearing from you.

NAME: _____

Co-ed Volleyball

Co-ed Soft Ball

Basketball

Co-ed or Separate men and women teams

Karate

Other (Just give us your ideas)
